

# WPS Parent Initiatives in Education Workshops

*To be held in the 'STUDIO' at Woodend Primary School  
(Please go to the Front Desk first to sign in.)*

Dear Parents,

Three workshops have been arranged to provide information about some of the very special projects that are being undertaken by Woodend Primary School. They connect directly with the effectiveness of what we do in relation to learning.

They will all be held at Woodend Primary School in the 'Studio' unless otherwise advised.

**Workshop one: Thursday 24<sup>th</sup> August 2017 9.00am to 10.00am (Studio)**

**Student Voice in Learning** and how this is designed to improve the conditions within a classroom setting to gain high level engagement by all students in their own learning. You will be given examples demonstrating the types of questions that may be included in leading students on this journey. As a school and Partnership of schools, this area has now been part of an exploration of student voice for two years. As you will see in the workshop, the students involved are confident enquirers of their own learning.

**Workshop two: Tuesday 29<sup>th</sup> August 2017 2.00pm to 3.00pm (StaffRoom)**

**Intellectual stretch through enquiry** - This workshop will demonstrate how students use enquiry in order to stretch their learning and the associated development a number of important personal capabilities. Socratic questioning will form part of this presentation, with the intention of sharing how with the combination of good questioning techniques and the method of enquiry, that students further develop both resilience and creativity.

**Workshop three: Tuesday 19<sup>th</sup> September 2017 6.00pm to 7.00pm (Studio)**

**Numeracy project:** this project has been developed in which educators and leaders from each of our local Partnership schools have been regularly involved in professional learning that has built their understanding of how to design effective learning design tasks and also to look at the pedagogy for stretch in mathematics.

*You may book for one or more workshops at the same time, or you may go into the booking system at different times. There is a limit of 25 places available at each workshop due to space limitations.*

Please go to [www.schoolinterviews.com.au/code](http://www.schoolinterviews.com.au/code) and follow the simple instructions.

## Enter code: q8rj5 Then press Go
