

Positive Coronavirus case  
Identified within the school  
community.

Advice sought from SA Health and The Department for Education.  
Communication via Team App, School Blog, Class Facebook pages, school Facebook  
page, Phone calls as required. Parents need to be able to access these  
communication means.

School closed for 48 hours for  
a deep clean.

Short term activities given to  
students either in hard copy  
or via Seesaw or Google  
Classroom.

School closed for a longer  
period eg week or longer.

Learning activities given to  
students via Seesaw or  
Google Classroom.

Devices available for  
families who do not have  
one to use for schooling.

Teachers will be working  
online and all learning will  
be managed remotely.

When given permission to resume face-2-face learning, we will communicate with all  
families and provide information to assist with this transition back to the classroom.
