

Dear Parent/Carer

We are looking forward to STEAM Week in Term 4 Week 1! This goes from Monday 17th - Friday 21st October 2022.

One of our priorities during STEAM Week is to engage and involve families in the enjoyment of Science, Technology, Engineering, Art and/or Mathematics (STEAM). In addition to your involvement with our STEAM Week Expo, we would enjoy the opportunity to learn more about the STEAM involved in your occupation.

We would love you to talk about your job and any STEAM that is involved. We will also have students ask you questions. You may like to do this face-to-face or via a Zoom meeting, whichever you feel comfortable.

Would you be interested in talking to our class and answering questions? It would be for approximately 20 minutes.

Please let me know if you would enjoy this opportunity and possible time/s.

Kind regards,

Classroom teacher/s
