EdSmart - Online Consent Forms

Dear Parents,

Our school is in the process of transitioning to EdSmart, a cloud-based software that enables schools to handle all consent forms electronically.

How it works: You will be sent an email notification with a link to click which opens a secure web page version of the form to complete and submit. These links can be accessed on your phone, tablet or computer at your convenience.

It is important that your contact information is up to date to ensure you receive these notifications.

All data submitted in forms is held in a secure database only accessible to authorised school staff and EdSmart personnel.

You can learn more about EdSmart at <https://edsmart.com/parents>.

While we are in the transition period, all families will be notified via Seesaw when a consent form is being sent. If you do not receive the form, please contact Kerri in the office.

We hope that over time EdSmart will further streamline communication, reduce admin time and allow teachers to easily manage consent forms.

Kind regards,

Aimee Aparicio
